Marine Single Transit Cargo – Local Transit insurance policy

Your duty of disclosure

Before You enter into a contract of general insurance with an insurer, You have a duty, under the Insurance Contracts Act 1984, to disclose to the insurer every matter that You know, or could reasonably be expected to know, is relevant to the insurer's decision whether to accept the risk of the insurance and, if so, on what terms.

You have the same duty to disclose those matters to the insurer before You renew, extend, vary or reinstate a contract of general insurance.

Your duty, however, does not require disclosure of a matter:

- ◆ That diminishes the risk to be undertaken by the insurer.
- ◆ That is of common knowledge.
- ◆ That Your insurer knows or, in the ordinary course of its business, ought to know.
- ◆ As to which compliance with Your duty is waived by the insurer.

Non-disclosure

If You fail to comply with Your duty of disclosure, We may be entitled to reduce Our liability under the contract in respect of a claim or may cancel the contract.

If Your non-disclosure is fraudulent, We may also have the option of avoiding the contract from its beginning.

Brochures outlining our internal dispute resolution process are available from your nearest CGU Insurance office.

Our agreement

We agree to provide You with the insurance as described in this Policy, for the Period of Insurance shown in the Schedule and for any subsequent period where renewal may be agreed, and in return You agree to pay Us the Premium by the dates advised to You.

Should there be any change in circumstances or any change in the nature of the risks which are the basis of the contract, You must advise Us immediately and in writing. If You fail to advise Us, We may be entitled to reduce Our liability under the contract in respect of a claim.

The Policy wording, current Policy Schedule and endorsements are to be read together.

Definitions

In this Policy certain words have special meanings. They have the same meanings wherever they appear.

These words are:

Accidental means any unforeseen and unintended occurrence or event arising during transportation which results in loss or damage to the Goods and which could not have been expected by a person with actual knowledge of the means of transportation of the Goods.

Conveyances means any ship, vessel, aircraft, postal service, rail and road transport used to transport the Insured Goods.

Excess means the sum shown in the Schedule, this Policy, or an endorsement to this Policy (if any) which any loss or claim must exceed before We will be liable under this Policy and which We will not be liable to pay in respect of each loss. The amount of the excess will be deducted from each and every loss.

Where an excess is expressed as:

- ◆ a specified sum – it means the amount specified; and
- ◆ a percentage – it means the monetary equivalent of such percentage of each loss;

provided that, where a claim is made in respect of more than one occurrence, the excess will apply as though a claim was made for each individual occurrence.

Subject Matter Insured/Goods or Insured Good means the type of Goods detailed in the Policy Schedule. Unless specifically listed in Your Policy Schedule, or agreed in writing by Us, We do not insure:

- ◆ Domestic furniture, household goods, personal effects.
- ◆ Frozen and/or chilled meat, seafood or foodstuffs.
- ◆ Works of art or antiques.
- ◆ Precious metals and stones, money (which means any coin or banknote), bullion, cheques, credit or other card sales vouchers, securities, shares, bonds, deeds, bills of exchange, or any documents that represent money.
- ◆ Plant, machinery and computers (which are not the primary Insured Goods) where the limit any one Conveyance or at any one location exceeds \$25,000.
- ◆ Tools of trade, electrical and electronic equipment.

Insured Transit means the transits specified in the Schedule and within the geographical limits specified in the Schedule and which occur during the Period of Insurance.

Limit of Liability means the limit of liability specified in the Schedule. Our liability is limited to the amount stated for any one loss or series of losses.

Policy means this Policy wording, the current Schedule, and any endorsement, all of which are to be read together.

Premium means the Premium specified in the current Schedule and any endorsement Premium.

You or **Your** means the person(s) or entity named in the Schedule as the insured.

We or **Our** or **Us** means the insurance company named in the Schedule.

The Insured Transit

For transits specified in the Schedule and happening within the Period of Insurance shown in the Schedule.

Commencement of cover

Transit commences for:

- ◆ General Goods – when each item of Goods is first moved for the specific purpose of loading on to the conveying vehicle for transit to a destination outside the premises.
- ◆ Livestock – when each animal proceeds onto the loading ramp of the vehicle from the ground or loading dock adjacent to the conveying vehicle for the commencement of transit.
- ◆ Motor vehicles – when the motor vehicle's wheels/tracks are driven onto the loading ramps of the conveying vehicle from the ground or loading dock adjacent to the conveying vehicle.

Termination of cover

Cover terminates for:

- ◆ General Goods – when each item of Goods is placed inside the intended destination/receivers' premises.
- ◆ Livestock – when each animal exits the loading ramp adjacent to the conveying vehicle at the intended destination/receivers' premises.
- ◆ Motor vehicles – when the motor vehicle is parked on the loading dock adjacent to the conveying vehicle.

However, transit of the Goods, livestock or motor vehicle will terminate prior to final destination on discharge from the Conveyance, where the ordinary course of transit is interrupted by You to place the Goods, livestock or motor vehicle in any other warehouse or place of storage, whether prior to or at the destination named herein, for the purposes of storage other than in the ordinary course of transit or for allocation or distribution.

Continuation of cover

The Goods are also covered, where applicable:

- ◆ From the time of leaving the suppliers' warehouse en route to the packers' warehouse and whilst there for a period not exceeding 1 month prior to shipment.
- ◆ Where the Goods are over-carried to an incorrect destination, this Policy extends to cover them until they are returned to the original destination.

- ◆ In the event of being shut out from a conveying vehicle at an intermediate place during the course of transit while waiting for an alternative Conveyance, providing they are stored in a secure area.
- ◆ If the Goods are re-consigned or reshipped direct from the wharf or airport at the intended destination to another destination, cover under this Policy will continue until arrival at the final destination within the geographical limits specified in the schedule.

However, in no case shall transit extend beyond 72 hours after unloading of the Goods, livestock or motor vehicles from the final conveying vehicle.

Cover

We will indemnify You against loss or damage to the Goods:

- ◆ which are caused by the insured events listed in the cover option(s) agreed;
- ◆ subject to the conditions contained in this Policy; and

Subject to a limit of \$25,000 for any one loss or series of losses arising from one event and provided these costs are not recoverable under any other policy of insurance.

Delayed Unpacking Clause

Where packages are not opened on arrival, any concealed loss or damage caused by an insured event which becomes evident when the Goods are unpacked is recoverable under this Policy as long as:

Livestock Additional Costs Clause

In the case of injury to insured livestock, We will pay:

- ◆ the reasonable cost of agisting the Livestock necessary as a result of an insured peril whilst awaiting an alternative Conveyance, up to \$200 per animal, with a maximum of \$20,000 for any one event in addition to the sum insured shown in the Schedule;
- ◆ at Our option:
 - the reasonable cost of agisting the livestock to bring them back to their condition prior to the loss; or
 - the agreed depreciation in value if they are sold as injured livestock; and
- ◆ the cost of mustering the livestock, up to a limit of \$200 per animal with a maximum of \$20,000 in total, in addition to the sum insured shown in the Schedule.

Loss of Media/Data/Information Clause

We will pay for all claims for loss of information, data or media provided there is visible external evidence of damage from an insured event. The amount We will pay under this clause is the reasonable cost of rewriting the information or data.

Subject to a maximum limit of \$25,000 for any one loss or series of losses arising from one event and providing these costs are not recoverable under any other Policy of insurance.

Onforwarding Costs

Where the Insured Transit is interrupted or terminated due to an insured peril or the insolvency or financial default of the carrier (provided this was outside Your

control and You were unaware of it in the ordinary course of Your business), We will pay the extra costs of freight to forward the Goods to their intended destination, or to return same to the place from which they were dispatched, up to a maximum of 10% of the sum insured, as shown in the Policy Schedule, in addition to the sum insured shown in the Schedule

Own Repairs Clause

In respect of damage claims recoverable hereunder, where You are appointed to effect repairs, it is agreed that such repair costs shall be based on Your normal commercial rate for such repairs including Your normal element of profit.

Packaging & Containers Clause

The duration of the Insured Transit is extended where applicable from the time of leaving the supplier's warehouse en route to the packer's warehouse, including storage whilst in the ordinary course of transit and while there for a period not exceeding one month prior to shipment, but excluding any loss or damage caused by delay.

We will pay for loss of or damage to packaging (including packaging materials, shipping containers, crates, pallets or the like) while carried in Insured Transit, caused by an insured event.

Repacking Costs Clause

We will pay for loss of or damage to packaging in the event of the original shipping packages arriving at the final destination in a visibly damaged condition arising from an insured event, where it is an established custom of the insured's and/or consignee's trade to deliver the Goods to the final customer's premises in the original shipping packages.

Sealed Container Clause

In respect of shipments in FCL containers, the fact that the container's seal is intact at unloading point shall not invalidate claims for theft, pilferage, shortage and non-delivery provided that:

- ◆ documentary evidence is provided to substantiate sealing of the container;
- ◆ You will assist Us to pursue every reasonable course of recovery from the suppliers and or the packers or other responsible parties; and

- ◆ the Goods are overcarried to or discharged at a port other than the scheduled port of discharge under the contract of affreightment; and
- ◆ additional expenditure is necessarily incurred in unloading, storing and forwarding the Goods to their final destination.

The additional expenditure is payable irrespective of any other loss whether totally or partially recoverable under the terms of any other insurance.

In no case shall We be liable for any claims unless the liberty referred to in this clause is exercised prior to the expiry of 15 days from midnight on the day on which the strikes, riots, civil commotions, lockouts or labour disturbances cease to be in active operation.

Subject to a limit of \$25,000 for any one loss or series of losses arising from one event, provided these costs are not recoverable under any other Policy of insurance.

Other Cover Limitations

Benefit of Insurance and Waivers of Rights

The carrier or any other bailee cannot claim any benefit under this Policy.

Your rights are not prejudiced by any agreement exempting the carrier from liability but where any other person(s) is liable to compensate You for any loss or damage which is covered by this Policy but where You have agreed not to seek recovery of any moneys from that person(s), then We will not provide cover under this Policy for such loss or damage or may reduce Our liability under the Policy contract as permitted by law.

Coinsurance Clause

If, at the time of any loss or damage to the Goods, there is any other current insurance, whether effected by You or any other person or persons, covering the same Goods, We will not be liable (where legally entitled) for more than the rateable proportion of the loss, damage or expense.

Deck Shipments Clause

Goods carried in containers are covered in a similar manner to under-deck cargo, but unless otherwise agreed all other deck cargo shall be subject to Cover B.

Third Party Interests

You must let Us know the names and interests of any other party (e.g. financiers, owners or lessors) who You require to be covered by this insurance. We will protect their interests only if You have informed Us about them and they are noted on Your Policy Schedule.

How much we will pay

As a result of an Insured event and subject to the terms, conditions, limitations and the maximum limit of liability shown in the Policy Schedule, plus the additional benefits, at Our option, We will pay You, or other parties agreed with You, the lesser of:

- ◆ the net invoice value covering the Goods whilst in transit (including freight if separately invoiced to the receiver); or
- ◆ if there is no invoice value, the cost of repairing or replacing the Goods with similar items of the same age and condition or as near as possible to that age and condition, plus freight costs.

The following exceptions apply:

Other Provisions

Works of Art or Antiques

The amount We will pay in the event of a loss will be:

- ◆ the reasonable cost of repair excluding any depreciation; or
- ◆ the market value of the Goods as established by an independent and qualified valuer.

New Machinery

In the event of a claim for loss or damage to the Goods as a result of an insured event caused by a peril covered by the Policy, the amount recoverable under this Policy shall not exceed the cost of replacement or repair of the part or parts and additional charges for forwarding and refitting.

Duty incurred in the provision of replacement or repaired part(s) shall also be recoverable provided that full duty payable on the insured machine is included in the amount insured.

In no case shall the liability of the Underwriter exceed the insured value of the Goods.

Pairs and Sets

Where any item is part of a pair or set, We will only pay for the part of the pair or set which is lost or destroyed, even if it cannot be replaced with a matching item. The insured value of the Goods will be regarded as spread over the whole of the pair or set, divided in the proportions that it would cost to replace each of the items making up the pair or set.

- ◆ Duty incurred in the provision of replacement or repaired part(s) shall also be recoverable provided that full duty payable on the insured machine is included in the amount insured. In no case shall the liability of the Underwriter exceed the insured value of the Goods.

Excess

All claims We pay under this Policy will have any excess deducted prior to settlement.

Goods and Services Tax

Where We make a payment under this Policy for the acquisition of goods, services or other supply, We will reduce the amount of the payment by the amount of any input tax credit that You are, or will be, or would have been entitled to under A New Tax System (Goods and Services Tax) Act 1999, in relation to that acquisition, whether or not that acquisition is actually made.

Where We make a payment under this Policy as compensation instead of payment for the acquisition of goods, services or other supply, We will reduce the amount of the payment by the amount of any input tax credit that You would have been entitled to under A New Tax System (Goods and Services Tax) Act 1999 had the payment been applied to acquire such goods, services or other supply.

- ◆ it is in force by virtue of Section 58 of the Insurance Contracts Act 1984; or
- ◆ it is an interim contract of general insurance.

You may cancel this Policy at any time by notifying Us in writing.

After cancellation, We will refund the Premium for the time remaining on the Policy, less any non-refundable duties, unless You have made a fraudulent claim.

Claims

Authorisation

We may give to and obtain from any other insurers, insurance reference bureaus and credit reporting agencies any information relating to Your credit or insurance history as well as insurance claims information.

Claims Procedure

Where there is loss or damage which may result in a claim under this Policy, You must take the following steps:

- ◆ Inform Us about the event as soon as possible.
- ◆ Submit as soon as possible all written particulars, supporting documentation and correspondence regarding the event including invoices, statements or other documents evidencing the amount being claimed.
- ◆ Take reasonable measures to avoid or minimise any loss, damage or expense. We will pay the costs of such measures provided they are both reasonable and necessary.
- ◆ Properly preserve and exercise all rights against carriers, bailees or other third parties, specifically:
 - Do not release those parties from liability.
 - Deliver to the parties responsible a notice of intention to claim within 3 days of delivery.
 - Do not give clean receipts where the Goods are in doubtful condition except under written protest.
 - Where the delivery is made by container ensure that the seals are examined immediately by a responsible official.
 - If a container is delivered damaged or with seals broken or missing or with seals other than as stated in the shipping documents, note the delivery docket accordingly and retain the seals for subsequent identification.
 - If the loss or damage is not immediately apparent at the time of delivery, apply immediately for surveys by the carriers or other bailees to be conducted within 3 days of delivery.
- ◆ Inform the police as soon as possible after a theft has occurred.
- ◆ In the event of a general average contribution arising under this Policy, consult Us or Our nominated settling agent before signing any general average bond. As soon as possible after the death of physical injury of livestock which may give rise to a claim against Us, You or Your legal representative, must:

- advise Us as soon as possible all of the details known to You, including the time and location of the death or physical injury of the livestock and any circumstances that will assist Us to investigate that death or physical injury. This information should be provided to Us in writing, including all supporting documentation such as invoices, consignment notes or letters that You have received from Your customer;
- take all reasonable steps to minimise the loss and avoid or minimise any further death or injury to the livestock. The reasonable cost of doing this will be reimbursed by Us under the 'Livestock Additional Costs Clause' in the 'Additional Benefits' section of this Policy. Any measures You or We take to save, protect or recover the livestock shall not be considered as a waiver or acceptance of abandonment or otherwise prejudice the rights of either party; and
- not dispose of any livestock without giving Us the opportunity to examine same. However, notwithstanding that, if any livestock are required to be removed or disposed of from an accident site on the order of responsible officials, death of the animal is to be certified by a veterinarian or the official responsible.

Subrogation Clause

When We settle a claim, We may pursue recovery rights against the carrier or any other third party who caused loss or damage to the Goods. You agree that:

- ◆ We may act in Your name in such recovery action; and
- ◆ You will give Us reasonable assistance with such actions.

Claims documentation

You are required, in the interests of prompt settlement of any claim and to avoid prejudicing Your claim under the Policy, to submit all available supporting documentation without delay, including:

- ◆ Contracts of carriage including consignment note(s) or airway bills or bills of lading.
- ◆ Copies of invoices, shipping specifications, weight notes or other documents indicating quantity and value.
- ◆ Any survey reports or other documentation showing the extent of the loss including delivery notes/weight notes at destination.
- ◆ Correspondence exchanged with any third party regarding their liability for the loss or damage.
