Significant risks

This product may not match your expectations

This product may not match your expectations (for example, because an exclusion applies). You should read the PDS and the Policy Terms and Conditions carefully. Please ask your Financial Services Provider if you are unsure about any aspect of this product.

Your sum insured may not be adequate

This Policy is an agreed value Policy. A separate agreed value (called a 'sum insured') will apply to each of the hull, motor, equipment, accessories and trailer where specified on the Policy Schedule.

This means it is important that you ensure all items to be insured are separately listed on the Policy Schedule with their respective sums insured, otherwise the maximum amount we will pay for any part or item will be its current market value.

Under insurance

The maximum amount we will pay under this Policy will not exceed the total sum insured under any circumstances or any specified sum insured for an item. Any amount payable for an individual item where a separate sum insured is not specified for that item will be reduced if the total market value of the boat including all listed items exceeds the sum insured shown in the Policy Schedule by more than 20%. The amount payable for the item will be reduced in proportion to the difference between the market value of the whole boat and the total sum insured.

Overdue premium

You must pay your premium on time otherwise your Policy may not operate.

If you have not paid by the due date or your payment is dishonoured, this Policy will not operate and there will be no cover.

For more detailed information regarding payment options refer to the section headed 'How you can pay your premium' (Page 13).

A claim may be refused

We may refuse to pay or reduce the amount we pay under a claim if you do not comply with the Policy conditions, if you do not comply with your Duty of Disclosure, or if you make a fraudulent claim.

The cost of this insurance Policy

The total premium is the amount we charge you for this insurance Policy. It includes the amount which we have calculated will cover the risk, and any taxes and government charges. The premium and any taxes and government charges will be shown on your Policy Schedule.

When calculating your premium we take a range of rating factors into account. These factors, and the degree to which they affect your premium, will depend upon the information you provide to us.

The following factors have a significant impact on the calculation of your premium:

- make, model and type of boat
- construction
- maximum speed (powered craft)
- sum insured
- cruising navigational limits
- previous loss or claims history.

Premium payments are made annually. You should arrange your method of payment through your Financial Services Provider. A quote for premium may be obtained from your Financial Services Provider.

Duty of Disclosure – What you must tell us

Under the Insurance Contracts Act 1984 (the Act), you have a Duty of Disclosure. You are required before you enter into, renew, vary, extend or reinstate your Policy, to tell us everything you know and that a reasonable person in the circumstances could be expected to know, is a matter that is relevant to our decision whether to insure you, and anyone else to be insured under the Policy, and if so, on what terms.

You do not have to tell us about any matter

- that diminishes the risk
- that is of common knowledge
- that we know or should know in the ordinary course of our business as an insurer, or
- which we indicate we do not want to know.

If you do not tell us

If you do not comply with your Duty of Disclosure we may reduce or refuse to pay a claim or cancel your Policy. If your non-disclosure is fraudulent we may also have the option of avoiding the contract from its beginning.

The Policy has provisions relating to GST. In summary, they are as follows but please read the provisions in full. They can be found under the heading 'How Goods and Services Tax affects any payments we make' (Page 14).

- The amount of premium payable by you for this Policy includes an amount on account of the GST on the premium.
- When we pay a claim, your GST status will determine the maximum amount we pay.

Other taxation implications

There may be other taxation implications affecting you, depending upon your own circumstances. We recommend that you seek professional advice.

Cancelling your Policy

How you may cancel this Policy

- You may cancel this Policy at any time by telling us in writing that you want to cancel it. You can do this by giving the notice to your Financial Services Provider.
- Where 'you' involves more than one person, we will only cancel the Policy when a written agreement to cancel the Policy is received from all persons named as the insured.

How we may cancel this Policy

- We may cancel this Policy in any of the circumstances permitted by law by informing you in writing.
- We will give you this notice in person or send it to your address last known to us.

The premium

We will refund to you the proportion of the premium for the remaining period of insurance.

Cooling-off information

If you want to return your insurance after your decision to buy it, you may cancel it and receive a full refund. To do this you may notify your Financial Services Provider electronically or in writing within 21 days from the date the Policy commenced.

This cooling-off right does not apply if you have made or are entitled to make a claim. Even after the cooling-off period ends, you still have cancellation rights however your Financial Services Provider may deduct certain amounts from any refund for administration costs or any non-refundable taxes.

Providing proof

So that your claim can be assessed quickly you should keep the following:

- receipts or other confirmation of purchase, and
- valuations.

We may ask you for these if you make a claim. You must be able to prove to us that you have suffered a loss that is covered by this Policy before we will pay you for it.

Other party's interests

You must tell us of the interests of all parties (e.g. financiers, owners, lessors) who will be covered by this insurance. We will protect their interests only if you have told us about them and we have noted them on your Policy Schedule.

How you can pay your premium

You can pay your premium in one payment by cash, cheque, credit card or bank transfer.

Paying your premium

You must pay your premium by the due date. If we do not receive your premium by this date or your payment is dishonoured this Policy will not operate and there will be no cover.

Paying your instalment premium

If you are paying your premium for the first time by instalments we will deduct instalments each month on the day of the month that you nominate as your payment date.

If you are renewing your Policy and you paid your previous Policy by instalments, we will continue to deduct instalments for your renewed Policy on the day of the month you previously nominated as your payment date, unless you tell us otherwise.

If you have nominated the 29th, 30th or 31st of the month as your payment date, we will deduct your instalment payment on the next day if those dates don't occur in a month.

Details of your instalments are shown on your Policy Schedule.

If your first instalment of premium when you take out your Policy or renew it is dishonoured, this Policy will not operate and there will be no cover.

We will not pay a claim under this Policy if, at the time the claim occurred, any instalment of premium has remained unpaid for 14 days or more.

If any instalment of premium has remained unpaid for 1 month, we may cancel this Policy. We will send you a notice giving you details of the action we intend to take and when any cancellation will become effective.

We are entitled to deduct from any amount we pay you under a claim any unpaid premium or instalment of premium.

If you are paying your premium in instalments by direct debit from your credit card or financial institution account, you must tell us if those details change. You must do this no later than 7 days before your next instalment is due.

How Goods and Services Tax affects any payments we make

The amount of premium payable by you for this policy includes an amount on account of the GST on the premium.

When we pay a claim, your GST status will determine the amount we pay.

When you are:

- (a) not registered for GST, the amount we pay is the sum insured/limit of indemnity or the other limits of insurance cover including GST.
- (b) registered for GST, we will pay the sum insured/limit of indemnity or the other limits of insurance and where you are liable to pay an amount for GST in respect of an acquisition relevant to your claim (such as services to repair a Damaged item insured under the Policy) we will pay for the GST amount.

We will reduce the GST amount we pay for by the amount of any input tax credits to which you are or would be entitled if you made a relevant acquisition. In these circumstances, the Input Tax Credit may be claimable through your Business Activity Statement (BAS).

You must advise us of your correct Australian Business Number & Taxable Percentage.

Any GST liability arising from your incorrect advice is payable by you.

Where the settlement of your claim is less than the sum insured/limit of indemnity or the other limits of insurance cover, we will only pay an amount for GST (less your entitlement for Input Tax Credit) applicable to the settlement. This means that if these amounts are not sufficient to cover your loss, we will only pay the GST relating to our settlement of the claim.

We will (where relevant) pay you on your claim by reference to the GST exclusive amount of any supply made by any business of yours which is relevant to your claim.

GST, Input Tax Credit (ITC), Business Activity Statement (BAS) and Acquisition have the same meaning as given to those expressions in A New Tax System (Goods and Services Tax) Act 1999 and related legislation as amended from time to time.

Taxable Percentage is your entitlement to an Input Tax Credit on your premium as a percentage of the total GST on that premium.

Where you have not specified a separate sum insured for either a part of the boat as above, or an individual item, then the maximum we will pay is the current market value of the part or item.

However, the maximum amount payable will not exceed the total sum insured under any circumstances. Any amount payable will be reduced if the total market value of the boat including all items listed above exceeds the total sum insured shown in the Policy Schedule by more than 20%. The amount payable will be reduced in proportion to the difference between the market value of the whole boat and the total sum insured.

We will, at our option:

- repair or replace the item involved, or
- pay you the reasonable cost of repairing or replacing the item involved, or
- pay you the sum insured (where specified) of the item involved and take ownership of any salvage, or
- pay you the current market value of the item (where there is no agreed value) and take ownership of any salvage.

When we decide either to replace an item, or to pay the cost of replacing an item which has no agreed sum insured,

then depreciation may apply and the amount payable is determined by:

- comparing the value of an item with an item of similar age and condition, or
- establishing the actual cost of an item of similar age and condition.

When we take the option of repairing an item, the amount that we pay is limited by the actual value of the item being repaired compared with its age and condition.

If your boat is less than one year old, we will not apply depreciation in determining the amount paid to you.

Additional benefits

We give you the following additional benefits:

Personal accident cover

If you suffer bodily injury as a result of an accident during the period of insurance which arises directly out of the use of your boat, and that results within six (6) calendar months in either:

- death
- temporary total disablement, or

We will pay in the event of your:

- death – the sum of \$25,000
- temporary total disablement – the sum of \$250 per week, up to a maximum of 100 weeks
